Statements of Witnesses - S. M. Holland, 20 H 163

Affidavit to Sheriff's office on November 22, 1963

Holland is a signal supervisor for the Union Terminal and was inspecting switches and stopped to watch the parade. "I heard what I thought for the moment was a firecracker and he slumped over and I looked over toward the arcade and trees and saw a puff of smoke come from the trees and I heard three more shots after the first shot but that was the only puff of smoke I saw. I immediately ran around to where I could see behind the arcade and did not see anyone running from there. But the puff of smoke I saw definitely came from behind the arcade through the trees."
